## Our Mission Statement

Our mission is to provide quality of life opportunities for people who need long term support through well trained, competent and caring teams.

## IRIS ? We Can Help!

If you are self-directing your cares through IRIS, did you know that you are eligible to receive Medical Assistance (MA) benefits?

The Lori Knapp Companies can provide MA Personal Cares, through our trained, competent staff, OR we will work with you to find & train staff of your own choosing.

## HOME CARE SERVICES

### The People We SERVE

The Lori Knapp Companies have served people with many forms of disabilities since 1972. We support people with all forms of disabilities in a wide range of services, including physical assistance for the elderly, physically disabled, developmentally disabled, persons with dementia, & persons with mental illnesses.

### Caregiving At HOME

We provide quality, compassionate, trained staff to meet our customer's home care & personal care needs. This is an excellent and affordable alternative to nursing home or institutional care. We make it a point of getting to know the needs of those that we serve.

### If You Need ASSISTANCE
